Dr. Amares Chatt

28 DECEMBER, 1942 - 20 OCTOBER, 2024

IN THE CARE OF

Cruikshank's Halifax Funeral Home

Announcing the Celebration of Life for Professor Amares Chatt (known to all simply as Chatt, Dr. Chatt, Daddy, Uncle Chatt, Borda, and Chandukaka), who left us far too soon on October 20, 2024.

Chatt was a loving husband to Niecy Jacobson Chatt, widowed early in life, and devoted father to Mira Lira and Jilly Milly. He was an intrepid and 4 Million Mile Super Elite world traveller, a consummate joker, generous to a tee, not to mention a pioneer in his field of neutron activation analysis. Chatt lived a successful life to the fullest.

Please join us on Sunday, November 3rd at 11:00am at Cruikshank's Funeral Home to honour his legacy, in person at 2666 Windsor St in Halifax or via livestream to join virtually.

*Please note that the timezone is Atlantic Standard Time. Further, Daylight Savings Time ends on Sunday, November 3rd and the clocks are going back 1h.

**Registration with email address is required for viewing the livestream
